

Seeds of Hope

A nurturing world free from violence

Resolution #38-2011/2012

CHILD ABUSE PREVENTION MONTH PROCLAMATION

Whereas, Iowa's children are one of the most precious resources in our states and provide the hope for a brighter tomorrow in Iowa;

Whereas, child abuse prevention is a community problem and finding solutions depends on involvement among people through out the community;

Whereas, effective child abuse prevention succeeds because of partnerships created between parents, practitioners, schools, faith communities, health care organizations, law enforcement agencies, and the business community;

Whereas, all citizens need to be more aware of child abuse and neglect and its prevention within the community, and be involved in supporting parents to raise their children in a safe, nurturing society.

Whereas, public awareness regarding child abuse and neglect is encouraged by Prevent Child Abuse Iowa and by other local organizations:

Now, therefore, we, the Board of Supervisors for Grundy County, do hereby proclaim the month of April, 2012 as Child Abuse Prevention Month in Grundy County and urge all citizens, community agencies, religious organizations, medical facilities, and businesses to increase their participation in efforts to prevent child abuse and neglect, thereby strengthening the communities in which we live.
